

**Job Title:** Drill Tender-Pile Buck  
**Reports to:** Assigned Supervisor

### **POSTION OBJECTIVE**

Drill Tender/Pile Buck will be tasked with supporting their operator as needed in the construction of deep foundations. The tender will aid in the construction of large diameter drilling, earth retention and shoring. The tender will be working within their crew to make sure each project is completed on time and properly. Tenders will also be responsible signaling equipment operators for proper alignment and safety.

### **ESSENTIAL DUTES AND RESPONSIBILITIES**

- Needs to be in good physical condition.
- Provide support to the operator as required.
- Proficient in safely loading and lashing down loads for transportation.
- Unloading equipment and tools.
- Experience in operating heavy-duty equipment: forklifts, mini-excavators, and trucks.
- Previous experience in drilling or heavy civil construction.
- Operates tools and equipment to perform support tasks for drilling operations.
- Provides manual labor as needed specific to the task.
- Welding experience is a plus.
- Works harmoniously with peers, supervisors, and the public and complies with Inland's policies.
- Willingness to travel in the Northwest region for varying lengths of time.
- Strong work ethic; dedicated and hard working.
- Flexibility to come in early and/or stay late to meet the demanding schedule of a service based company.

### **Skills, Knowledge, and Abilities:**

Knowledge of:

- Understand the nature of foundation drilling.
- Proper use and understanding of crane rigging and signaling.
- Drill tools and equipment.
- Excellent communication skills.
- Self-motivated and willing to challenge themselves.
- Ability to be given instructions and see that task gets accomplished.

### **License(s) or Certification(s) Required:**

- Valid CDL driver's license is preferred.
- Medical Card is preferred.
- Forklift certification is recommended but not required; in house training and certification may be available.
- NCCCO Crane certification is preferred but not required; in house training and certification may be available.

### **WORK ENVIRONMENT:**

- This job will be predominately outside work.
- This job will often include out of town work

**Physical Demands, Hazards, and Working Conditions:** The employee will have to meet these requirements, with or without reasonable accommodation, to succeed in this position.

The position requires very heavy work involving exerting over 75 pounds of force on a regular basis. While performing the duties of this job, the position is exposed to outside work conditions which could mean extreme heat and/or cold, wet/humid conditions, bright and/or dim light, dust or pollen. While performing the job duties the employee may also be exposed to intense noise levels, vibration, fumes or noxious odors, moving mechanical parts, working around heavy equipment, and heights.

The position requires normal visual acuity and field vision, hearing and depth perception.

This is a full-time position with tremendous growth opportunities. Our company offers competitive compensation, upward mobility, health insurance and 401K.

We are an EEOC. Pay is DOE.

Position available immediately.
